### School Philosophy

At St. Thomas', we believe the following examples are ways that we enact the schools vision & mission on a daily basis:

- Being a Professional Learning Community and using this framework to guide our decision making.
- Using the Response to Intervention framework to guide our decision making regarding assistance for students to enable them to learn to the fullest
- Actively involving parents in the life of the school
- Wide range of extracurricular activities
- Strong involvement in the Parish life
- Being explicit in what we say and do
- Strong community links and involvement
- Our comprehensive Religious Education program
- Ongoing leadership program
